

MSA Volunteer Sign-Up

Please complete and return this form with your registration!

The MSA cannot conduct competitions without volunteer support. Parents, family members and friends are needed and most welcome. You don't have to be a skater or have background experience to help. The MSA will provide training in key areas at the beginning of the season. There are four meets during the year and you'll be expected to help with most: Jefferson City (December), Gateway (January), Silver Skates (February) and State Championships (March).

Beginning with the 2009-10 season, parents/non-competitors need to indicate their preference for volunteer positions for MSA meets for the season. We need all parent's assistance to run these competitions. We understand and appreciate that some of you need to help and keep track of your skaters during a meet but there are tasks that can be done before and after a meet. Other family members and friends are welcome to assist. Please indicate your preferences (at least 3 choices):
